Expires on August 24, 2021

I. About ZZU

Zhengzhou University is one of the key universities of the national "211 Project", and of "World 1st University Project", as well as of universities co-sponsored by the Henan Provincial Government and the Ministry of Education. It was born in 10th, July 2000 when the former ZZU, Zhengzhou University of Technology (ZUT) and Henan Medical University (HMU) merged into one, and now developed into a comprehensive university with 12 major disciplines, namely liberal arts, science, engineering and medicine, etc. It has over 50,000 full-time undergraduates, more than 23,000 full-time postgraduates and nearly 2,500 international students. Meanwhile, there are 30 first-level disciplines
